

TWO TECHNOLOGIES

One strong name in self leveling
underlayment equipment

Now that Allentown Equipment and Putzmeister America have tied the knot, you have one source for the world's most complete offering of solutions and equipment for grout, mortar and decorative topping.

Allentown Shotcrete Technology, Inc. combines Allentown's more than 95 years of shotcrete expertise with Putzmeister's innovative concrete technologies and experience to support the needs of tile and flooring contractors.

Put the strength of two to work for you.
